

LEARNING WEB-QUEST

Name: _____

In your own words, define learning -

Textbook definition of learning -

Use the following sites to find your own learning style:

<http://www.personal.psu.edu/bxb11/LSI/LSI.htm>

What style are you:

Visual

Auditory

Kinesthetic

According to the site, explain/define your learning style:

With regard to how you individually learn, do you agree with the above information? Explain

Use the following sites to explore Multiple Intelligence:

<http://www.ldpride.net/learningstyles.MI.htm#Multiple%20Intelligences%20Explained>

<http://www.pbs.org/teachers/earlychildhood/articles/learningmodalities.html>

Intelligence	Explanation	Skills	Careers
Visual/Spatial			
Verbal/Linguistic			
Logical/Mathematical			
Bodily/Kinesthetic			
Musical/Rhythmic			

Intelligence	Explanation	Skills	Careers
Interpersonal			
Intrapersonal			
Naturalist			

Which of the above intelligences do you feel applies to you? Explain.

Learning Styles

Now that you understand your learning style and your multiple intelligences use that information to redesign the school. Money and time are no object...so what would it look like?
